**aegirine  
in microcline**

**aragonite**

**arsenopyrite**

**baryte  
(barite)**

**chlorite  
(clinochlore)**

**chondrodite**

**corundum  
in quartz**

**cinnabar  
in dolomite**

**epidote**

**gneiss**

**hematite  
(haematite)**

**jaspillite  
ferruginous quartzite**

**lepidolite and tourmaline  
in quartz**

**magnetite**

**mangano calcite  
(manganocalcite)**

**marl shale  
(marlstone)**

**pegmatite**

**piemontite  
(manganesian epidote)**

**rhodusite  
(blue asbestos)**

**rhyolite  
(madagascar, jasper)**

**rhyolite  
(rainforest jasper)**

**shungite**

**sphalerite  
with galena**

**spreushtein  
with microcline**

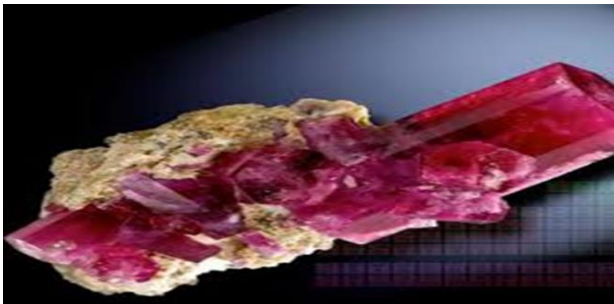

**tinguaitite  
(phonolite)**
